

Building Lightness Seminar:

When: **Friday June 15th 10 AM until 7 PM**

Where: **YES!Delft**, Rotterdamseweg 145, 2628AL Delft

There is room for about 100 participants

Provisional program

10.00 - 10.30: Reception with coffee

10.30 - 10.45: Introduction moderator Dingeman Kuilman, Premsela Foundation

10.45 - 11.15: Introduction Ed van Hinte (Lightness Studios)

11.15 - 11.45: Lecture Prof. Adriaan Beukers (Lightweight Structures TU Delft)

11.45 - 12.00: Unveiling model

The model with first ideas for lightweight building has been specially designed preceding the seminar by a team consisting of 12 designers.

12.00 - 1.30: Buffet and Lightweight Table Sessions: companies present themselves

1.30 - 2.00: Lecture Jurgen Bey (professor RCA, studio Jurgen Bey) (with reservation)

2.00 - 2.30: Lecture Jan Peeters (Fibercore Europe)

2.30 - 3.30: Building Lightness Future workshops

3.30 - 4.00: Tea

4.00 - 4.30: Lecture Prof. Wim Hafkamp (economist NICIS, or Gerard van Egerschot (chairman Dutch Union of Building Suppliers) (not yet confirmed)

4.30 - 5.00: Lecture Dirk Sijmons (State Landscape Architect) (not yet confirmed)

5.00 - 5.30: Presentation workshop outcome (Dingeman Kuilman / Ed van Hinte)

5.30 - 7.00: Closing and drinks

The **workshops** consist of three short sessions, right after each other, with varying groups of three or four persons. Small groups are more productive. The aim is to write down ideas (questions, information sources, thinking directions, solutions, companies) for the Building Lightness follow-up. Themes: modular building,

convenience, seduction, fashion in architecture, speed, anchoring, safety, acoustics, autarky, ducts, flexible materials, climate control, life cycle endurance, do-it-yourself, earth as a material, light transportation, working clothes, energy accumulation, aerodynamics, etc.

Table sessions can be considered a mini fair, with no special stands, where companies, institutions and studios can present their products and activities and exchange information.

Costs for participation € 445,00 excl. VAT

Registration via e-mail:
